

Would a Little Extra Help Make Life Easier?

NEW Homemaking Program for Seniors!

Part of the Champlain LHIN's community investment strategy

The Homemaking Program assists seniors and adults with physical disabilities living at home with housekeeping tasks and activities.

The Homemaking services are tailored to meet the needs of vulnerable clients with chronic and/or complex medical needs. The program will provide assistance to high risk clients who can reside at home and require the availability of homemaking services.

Assistance is available for 2 hours every 2 weeks.

An in-home assessment has to be completed to determine eligibility. A subsidized rate may be available based on this assessment.

Ottawa West Community Support is now providing this service in your neighbourhood. Please contact us at 613-728-6016 (www.owcs.ca) for more information or to book your assessment.

The following services are available:

- Dusting
- Vacuuming
- Cleaning bathrooms
- Making bed/change linens
- Laundry
- Ironing
- Washing floors
- Emptying garbage
- Meal preparation
- Cleaning windows (excluding interior oven)
- Cleaning kitchen / bathroom surfaces
- Cleaning small appliances
- Cleaning large appliances (exterior)
- Assistance with shopping and errands

3 agencies are partnering to provide these services across the Champlain Region include: Marianhill (Renfrew counties), Carefor Health and Community Services (Eastern Communities & Ottawa) and Ottawa West Community Support (Ottawa). These agencies partner with other CSS agencies to ensure access to homemaking for all clients.
